- 1 AN ACT ...; relating to: sale or lease of state-owned real property, contractual
2 operation of state facilities, and management of state-owned heating, cooling,
3 and power plants.

Analysis by the Legislative Reference Bureau

STATE GOVERNMENT

OTHER STATE GOVERNMENT

Currently, with certain exceptions, DOA may sell or lease state-owned real property if DOA determines that the sale is in the best interest of the state and the Building Commission approves the sale. Any sale may be either on the basis of public bids, with DOA reserving the right to reject any bid in the interest of the state, or negotiated prices and need not reflect fair market value. Also currently, various state agencies have authority to sell real property under their jurisdiction subject to various conditions and limitations. The proceeds of any sales are deposited, credited, or used in various ways as provided by law. DOA's authority generally does not apply to property that another agency has authority to sell. Also, DOA's authority does not operate to permit the closure or sale of any facility or institution the operation of which is required by law. DOA's authority also does not extend to property under the jurisdiction of the Board of Regents of the University of Wisconsin System and certain property under the jurisdiction of DHS at the Northern Center for the Developmentally Disabled. Except as otherwise provided by law, any sale by DOA

may be with or without the approval of the state agency that has jurisdiction over the property. The net proceeds of any sale by DOA are used to retire any outstanding public debt that was incurred to acquire, construct, or improve the property and if the property was acquired, constructed, or improved with federal financial assistance, the proceeds must be used to repay the federal government to the extent required by federal law. If the property was acquired by gift or grant or with gift or grant funds, DOA must adhere to any restriction governing use of the proceeds. DOA must use any remaining net proceeds to retire other outstanding public debt.

Currently, with certain exceptions, the Building Commission may also sell state-owned real property where this authority is not given to another state agency by law, and may transfer land under its jurisdiction among agencies. Sales may be accomplished in a manner similar to the manner that sales are conducted by DOA, except that sales of surplus land having a value of at least \$20,000 are subject to the approval of JCF. However, the Building Commission does not have the authority to sell a parcel of state-owned real property once DOA notifies the commission that an offer of sale or sale with respect to the parcel is pending. If a sale is not completed and no further action is pending with respect to a parcel of property, the authority of the Building Commission to sell the property is restored. The net proceeds of any sales by the Building Commission must be used to retire any public debt that was used to acquire or construct improvements on the property being sold. The remaining net proceeds must be deposited in the budget stabilization fund. Current law also directs the Building Commission to compile biennially and transmit to JCF an inventory of state-owned surplus land.

This bill permits DOA or the Building Commission to sell or lease any state-owned real property unless prohibited by the state or federal constitution or federal law, subject to the approval of the Building Commission. Under the bill, any sale may be either on the basis of public bids, with DOA or the commission reserving the right to reject any bid in the best interest of the state, or on the basis of negotiated prices as determined through a competitive or transparent process. The bill does not apply to sales conducted to enforce an obligation to this state. The bill retains most of the existing exemptions from DOA's sales authority but eliminates the current exemption of the Board of Regents of the University of Wisconsin System and DHS (with respect to the Northern Center) to sell or lease state-owned real property independently of DOA. Under the bill, if DOA or the Building Commission notifies the Board of Regents or DHS that an offer of sale, sale, or lease is pending with the respect to a parcel of property, the Board of Regents or DHS does not have authority to sell or lease that property. The bill eliminates the current exception that exempts sales that would necessitate the closure of a facility or institution which is provided for by law. However, the bill does not repeal any statutes that require the operation of any facilities or institutions. Under the bill, if DOA or the Building Commission sells all the real property that is currently used to operate a facility or institution, the facility or institution would need to continue in operation. Under the bill, except with respect to exempt property, if any agency has authority to sell or lease real property under any other law, the authority of that agency does not apply after DOA or the Building Commission notifies the agency in writing that an offer of sale or sale,

or a lease agreement, is pending with respect to the property. If the sale or lease is not completed and no further action is pending with respect to the property, the authority of the agency to sell or lease the property is restored. Under the bill, DOA and the Building Commission must first use the net proceeds of any sale to retire any public debt that was used to finance the acquisition, construction, or improvement of the property that is sold. Thereafter, DOA and the Building Commission must use the net proceeds of any sale to pay the costs of federal tax law compliance applicable to the debt. The bill directs DOA and the Building Commission to use the remaining net proceeds of any sale, subject to current requirements, to retire any revenue obligation debt in the fund that was used to acquire, construct, or improve property that was sold and thereafter to retire other similar revenue obligations. If other outstanding public debt is redeemed, the bill specifies factors to consider in deciding which debt to redeem. The bill provides that if any property that is proposed to be sold by DOA or the Building Commission is co-owned by a nonstate entity, DOA or the commission must afford to the co-owner the right of first refusal to purchase the share of the property owned by the state on reasonable financial terms established by DOA or the commission.

The bill also provides that if DOA sells or leases a state-owned heating, cooling, or power plant, DOA may contract for the operation of any function that is performed by the state on the property. Currently, DOA or any state agency to which DOA delegates authority may enter into a contractual services agreement if the services can be performed more economically or efficiently by contract than by the state directly. The bill provides that this requirement does not apply to contracts with purchasers or lessees entered into by DOA under the bill. The bill provides that if DOA or the Building Commission sells or leases any real property, or if DOA contracts with a purchaser or lessee for the operation of any real property, that was under the jurisdiction of another state agency prior to the sale, lease, or contract, the agency must convey all systems, fixtures, or additional property interests specified by DOA or the Building Commission to the purchaser or lessee of the property on the terms specified by DOA or the Building Commission. The bill also provides that if DOA or the Building Commission sells or leases, or if DOA contracts with a purchaser or lessee for the operation of a state-owned heating, cooling, or power plant that is under the jurisdiction of a state agency, the agency must convey all real and personal property associated with the plant to the purchaser or lessee. In addition, the bill provides that if DOA sells, leases, or contracts with a purchaser or lessee for the operation of any facility that is operated by a state agency before the effective date of the sale, lease, or contract, DOA may decrease the authorized full-time equivalent positions for the agency and may lapse or transfer appropriated moneys from any appropriation made to the agency, other than a sum sufficient appropriation, an appropriation of program revenues to the Board of Regents of the University of Wisconsin System, or an appropriation of segregated or federal revenues, to account for discontinuance of the operation of the facility by the agency.

Finally, the bill modifies the authority of the Building Commission to sell or lease state-owned buildings, structures, and land to parallel the authority of DOA under the bill so that the authority includes property under the jurisdiction of the

Board of Regents of the University of Wisconsin System and is not generally limited by sales authority given to state agencies, and so that distribution of sales proceeds is accomplished in the same manner as proceeds of DOA's sales are distributed. The bill deletes the current limitation that certain sales of surplus land are subject to approval of JCF. The bill directs each state agency, no later than January 1, 2014, and biennially thereafter, to submit to DOA an inventory of all real property under its jurisdiction together with the estimated fair market value of each property. Each agency must specifically identify any underutilized assets in the inventory. Under the bill, no later than July 1 following receipt of the inventories, DOA must obtain appraisals of all properties in the inventory that are identified by DOA for potential sale and submit to the Building Commission an inventory containing a location, description, and fair market value of each property identified for potential sale.

Currently, DOA has charge of, operates, and maintains the state capitol power plant and any power plants serving the state office buildings. Under the bill, DOA has charge of, operates, and maintains any heating, cooling, and power plants not operated by another agency or by a purchaser, lessee, or contractor.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

18 16.848 (1) Except as provided in sub. (2), the department may offer for sale or
19 lease any state-owned real property, if the department determines that the sale or
20 lease is in the best interest of the state, unless prohibited under the state or federal
21 constitution or federal law or the sale is conducted as a part of a procedure to enforce
22 an obligation to this state. Any sale may be either on the basis of public bids, with
23 the department reserving the right to reject any bid in the best interest of the state,
24 or on the basis of negotiated prices as determined through a competitive or
25 transparent process. If the department receives an offer to purchase property offered

9 identified in sub. (2), if any agency, as defined in s. 16.52 (7), has authority to sell or
10 lease real property under any other law, the authority of that agency does not apply
11 after the department notifies the agency in writing that an offer of sale or sale, or a
12 lease agreement, is pending with respect to the property under this subsection. If
13 the sale or lease is not completed and no further action is pending with respect to the
14 property, the authority of the agency to sell or lease the property is restored. If the
15 department sells or leases any state-owned real property under this subsection, the
16 department may attach such conditions to the sale or lease as it finds to be necessary
17 or appropriate to carry out the sale or lease in the best interest of the state. If the
18 department sells or leases a state-owned heating, cooling, or power plant under this
19 subsection, the department may contract with the purchaser or lessee for the
20 operation of the plant.

21 **SECTION 27.** 16.848 (1e) of the statutes is created to read:

22 16.848 (1e) If the department sells, leases, or contracts with a purchaser or
23 lessee for the operation of any real property under sub. (1) that was under the
24 jurisdiction of an agency, as defined in s. 16.52 (7), prior to the sale, lease, or contract,
25 the agency shall convey all systems, fixtures, or additional property interests

1 specified by the department to the purchaser or lessee of the property on terms

14 84.09 (5) (c) 2. (intro.) Except as provided in subd. 2m. and subject to any prior

5 form provided by sub. (5) (a), and subject to any prior action under s. 13.48 (14) (am)
6 or 16.848 (1), the department may convey lands or interests therein acquired
7 pursuant to this section and improvements installed thereon to municipalities
8 within whose limits such lands or interests therein are located. The conveyance of
9 said lands or interests therein and improvements shall restrict the use of the
10 premises by the municipality to the uses for which they were acquired, except that
11 said lands or interests therein declared by the department to be excess may be so
12 conveyed without restrictions as to use. This subsection shall apply only to the sale
13 of property acquired by the department for a project that is completed before May 25,
14 2006. The department may sell property that is acquired by the department for a
15 project that is completed after May 25, 2006, to a municipality under sub. (5) (c), as

22 order or resolution of the head of the department or independent agency concerned.

23 **SECTION 68.** 84.09 (9) of the statutes is repealed.

24 **SECTION 69.** 84.40 (2) (a) of the statutes is amended to read:

3 available for highway purposes and any existing highways or other improvements
4 thereon owned by the state or under the jurisdiction of the department for such
5 consideration and upon such terms and conditions as the department deems in the
6 public interest.

7 **SECTION 70.** 85.09 (2) (a) of the statutes is amended to read:

8 85.09 (2) (a) The department of transportation shall have the first right to
9 acquire, for present or future transportation or recreational purposes, any
10 property used in operating a railroad or railway, including land and rails, ties,
11 switches, trestles, bridges, and the like located on that property, that has been
12 abandoned. The department of transportation may, in connection with abandoned
13 rail property, assign this right to a state agency, the board of regents of the University
14 of Wisconsin System, any county or municipality, or any transit commission.
15 Acquisition by the department of transportation may be by gift, purchase, or
16 condemnation in accordance with the procedure under s. 32.05. In addition to its
17 property management authority under s. 85.15, the department of transportation
18 may, subject to any prior action under s. 13.48 (14) (am) or 16.848 (1), lease and collect
19 rents and fees for any use of rail property pending discharge of the department's duty
20 to convey property that is not necessary for a public purpose. No person owning
21 abandoned rail property, including any person to whom ownership reverts upon
22 abandonment, may convey or dispose of any abandoned rail property without first
23 obtaining a written release from the department of transportation indicating that
24 the first right of acquisition under this subsection will not be exercised or assigned.
25 No railroad or railway may convey any rail property prior to abandonment if the rail

1 property is part of a rail line shown on the railroad's system map as in the process
2 of abandonment, expected to be abandoned, or under study for possible
3 abandonment unless the conveyance or disposal is for the purpose of providing
4 continued rail service under another company or agency. Any conveyance made
5 without obtaining such release is void. The first right of acquisition of the
6 department of transportation under this subsection does not apply to any rail
7 property declared by the department to be abandoned before January 1, 1977. The
8 department of transportation may acquire any abandoned rail property under this
9 section regardless of the date of its abandonment.

10 **SECTION 71.** 85.09 (4) of the statutes is amended to read:

11 85.09 (4) ACQUISITION AND CONVEYANCE. Upon its own initiative, the department
12 may determine at any time whether the rail property is abandoned, and whether it
13 is in the best interest of the state to acquire the rail property. Within 90 days after
14 being requested by any state agency, any railroad or any county or municipality in
15 which the rail property is located, the department shall, subject to sub. (5) (b), make
16 a determination of the abandonment status and, if found to be abandoned, shall
17 determine whether it is in the best interest of the public to acquire the rail property.
18 If it is determined to acquire the rail property or any part or interest therein, the
19 department shall, within 180 days of the determination of its abandoned status, or
20 the interstate commerce commission's final order permitting the abandonment, or
21 the termination of any efforts to negotiate an agreement for continual operation of
22 rail service on the line, whichever occurs last, determine the fair market value of the
23 rail property and acquire the rail property at a price deemed reasonable by the
24 department or make a relocation order under s. 32.05. In making its determination,
25 the department shall consider long-range potential for use of the rail property for

1 restoration of railroad service and for other transportation related purposes. The
2 department shall solicit the opinions of appropriate state agencies, affected counties
3 and municipalities and other interested persons. The department shall give due
4 consideration to an expressed desire by a state agency or an affected county or
5 municipality to acquire, in whole or in part, the rail property under consideration.
6 Subject to any prior action under s. 13.48 (14) (am) or 16.848 (1) and subject to sub.
7 (6), all or part of any interest in abandoned rail property acquired by the department
8 under this section or under s. 66.941 (7), 1975 stats., may be subsequently conveyed
9 to another state agency or a county or municipality for transportation purposes,
10 recreational purposes, scenic purposes or for the purpose of constructing a
11 correctional institution, or to a railroad for continued railroad transportation
12 operations when the railroad has operated on the rail property for 5 years and the
13 department may make such conveyances for such purposes. Any determination of
14 the department under this section that rail property is not abandoned shall not
15 preclude the undertaking of a subsequent investigation and determination
16 concerning the same rail property or any portion thereof. If at any time subsequent
17 to the acquisition of rail property under this section the department determines that
18 the rail property is not suitable for transportation purposes, recreational purposes,
19 scenic purposes or for the purpose of constructing a correctional institution, or that
20 the rail property or any interest therein may be conveyed to any other person on
21 terms which are not inconsistent with the potential use of the rail property for
22 transportation purposes, recreational purposes, scenic purposes or for the purpose
23 of constructing a correctional institution or which yield a benefit, including financial
24 benefits, to the state which outweighs the benefit derived from the rail property if
25 used for transportation purposes, recreational purposes, scenic purposes or for the

1 purpose of constructing a correctional institution, the department may convey the
2 rail property or such interest therein, subject to any prior action under s. 13.48 (14)
3 (am) or 16.848 (1) and subject to sub. (6). The department shall give notice of its
4 intention to make the conveyance, and state and local units of government shall have
5 the first 6 months in which to exercise their opportunity to acquire the rail property
6 or interest therein. The railroad from which the rail property was acquired shall
7 have the next 6 months in which to exercise its opportunity to reacquire the rail
8 property or interest therein.

9 **SECTION 72.** 85.09 (4i) of the statutes is amended to read:

10 85.09 (4i) DISPOSAL OF RAIL PROPERTY. The department, subject to any prior
11 action under s. 13.48 (14) (am) or 16.848 (1), shall sell at public or private sale rail
12 property acquired under sub. (4) when the department determines that the rail
13 property is not necessary for a public purpose and, if real property, the real property
14 is not the subject of a petition under s. 16.310 (2). Upon receipt of the full purchase
15 price, the department shall, by appropriate deed or other instrument, transfer the
16 rail property to the purchaser. The funds derived from sales under this subsection
17 shall be deposited in the transportation fund, and the expense incurred by the
18 department in connection with the sale shall be paid from the appropriation under
19 s. 20.395 (2) (bq). ~~This subsection does not apply to real property that is sold under~~
20 ~~s. 16.848.~~

21 **SECTION 73.** 85.15 (1) of the statutes is amended to read:

22 85.15 (1) The Subject to any prior action under s. 13.48 (14) (am) or 16.848 (1),
23 the department may improve, use, maintain or lease any property acquired for
24 highway, airport or any other transportation purpose until the property is actually

1 needed for any such purpose and may permit use of the property for purposes and
2 upon such terms and conditions as the department deems in the public interest.

3 **SECTION 74.** 108.161 (7) of the statutes is amended to read:

4 108.161 (7) If any moneys appropriated hereunder are used to buy and hold
5 suitable land, with a view to the future construction of an employment security
6 building thereon, and if such land is later sold or transferred to other use, the
7 proceeds of such sale (or the value of such land when transferred) shall be credited
8 to the account created by sub. (1) except as otherwise provided in s. 13.48 (14) and
9 16.848.

10 **SECTION 75.** 108.161 (9) of the statutes is amended to read:

11 108.161 (9) Any land and building or office quarters acquired under this section
12 shall continue to be used for employment security purposes. Realty or quarters may
13 not be sold or transferred to other use if prior action is taken under s. 13.48 (14) (am)
14 or 16.848 (1) and may not be sold or transferred without the governor's approval. The
15 proceeds from the sale, or the value of realty or quarters upon transfer, shall be
16 credited to the account established in sub. (1) or credited to the fund established in
17 s. 108.20, or both in accordance with federal requirements. Equivalent substitute
18 rent-free quarters may be provided, as federally approved. Amounts credited under
19 this subsection shall be used solely to finance employment security quarters
20 according to federal requirements.

21 **SECTION 76.** 114.33 (6) (a) of the statutes is amended to read:

22 114.33 (6) (a) For the purposes of carrying out this section and ss. 114.35 and
23 114.37, the secretary may acquire by gift, devise, purchase or condemnation any
24 lands for establishing, protecting, laying out, enlarging, extending, constructing,
25 reconstructing, improving and maintaining airports, or interests in lands in and

1 about airports. After completion of the improvements, subject to any prior action
2 under s. 13.48 (14) (am) or 16.848 (1), the secretary may convey as provided in this
3 subsection lands that were acquired under this subsection, but were not necessary
4 for the airport improvements. The conveyances may be made with reservations
5 concerning the future use and occupation of those lands so as to protect the airports
6 and improvements and their environs and to preserve the view, appearance, light,
7 air and usefulness of the airports.

8 **SECTION 77.** 114.33 (10) of the statutes is amended to read:

9 114.33 (10) Subject to the approval of the governor under this subsection and
10 subject to any prior action under s. 13.48 (14) (am) or 16.848 (1), the secretary may
11 sell at public or private sale property of whatever nature owned by the state and
12 under the jurisdiction of the secretary when the secretary determines that the
13 property is no longer necessary for the state's use for airport purposes and, if real
14 property, the real property is not the subject of a petition under s. 16.310. The
15 secretary shall present to the governor a full and complete report of the property to
16 be sold, the reason for the sale, and the minimum price for which the property should
17 be sold, together with an application for the governor's approval of the sale. The
18 governor shall investigate the proposed sale as he or she deems necessary and
19 approve or disapprove the application. Upon approval and receipt of the full
20 purchase price, the secretary shall by appropriate deed or other instrument transfer
21 the property to the purchaser. The funds derived from the sale shall be deposited in
22 the appropriate airport fund, and the expense incurred by the secretary in
23 connection with the sale shall be paid from that fund. ~~This subsection does not apply~~
24 ~~to real property that is sold under s. 16.848.~~

25 **SECTION 78.** 301.235 (2) (a) 1. of the statutes is amended to read:

10 convey such lands under the jurisdiction of the department as the secretary deems
11 to be in excess of the present or future requirements of the department for either the
12 operation of its facilities or programs, for the maintenance of buffer zones adjacent
13 to its facilities or for other public purposes. The proceeds of the sales shall be credited
14 to the state building trust fund.

Jeff – Our capital finance person just raised an additional problem. The addition of "sufficient amount for the costs of maintaining federal tax law compliance applicable to debt" cannot be linked to the bond redemption funds under s. 18.09. (or 18.561(5) or 18.562(3))

We think we can solve this by putting this requirement in a new sentence. So it would read: The department would maintain compliance with federal tax law applicable to the debt."

This would apply to 13.48(14)(c) and (cm) and s.16,848(4)(a) and (c) and then there would not be changes to chapter 18.

Sorry – pls let us know if you can make this work. Call if you have any questions.

Jenny,

I don't think any of these changes will pose a drafting issue. We are running a compile tonight, I think for internal purposes, to use with reconciliation. The changes will probably not get in but should be in the next compile after this one.

Jeff – First –we think this looks really good. A couple of small changes:

- 1) Can you add "...on terms specified by the commission." to the last sentence on p.7 line 3
- 2) Same change except " ...on terms specified by the department." to sentence ending on line 6 p.15
- 3) Can you change "building or structure" to "any property" on lines 8 and 10 of p. 7
- 4) P.16 - I think you can strike s.25.40(3) from line 7 as we now have the prohibition on lapsing SEG funds.
- 5) While unlikely, we think that it may be possible to have net proceeds when a property is leased – can you modify the treatment of net proceeds in both 13.48(14) and s.16.848 so that it references properties sold or leased? For example, see. P.7 line 8.

Let us know if you have any questions – thanks again.
